This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Hebron Communications Corporation (Hebron or the Company) to cancel its Certificate of Public Convenience and Necessity and to withdraw its tariff. Hebron first received its authority through Order No. 97-1062, dated December 23, 1997.

The Company states that it has no customers in South Carolina and has ceased its operations for offering telecommunications in this State. We therefore grant the request, cancel the Certificate, and allow withdrawal of the tariff.

This Order shall remain in full force and effect until further Order of the Commission.

Chairman
